Our NHS Services

NHS Dispensing

We dispense NHS prescriptions and deliver anywhere in England and will give advice on how to get the most benefit from your medicines. We keep a comprehensive stock of medicines to enable us to fill all prescriptions promptly. We do not provide this service face-to-face, but will deliver your medicine to you instead.

This includes the electronic prescription service if we are nominated as your pharmacy.

NHS Repeat Dispensing

We can also dispense NHS repeat dispensing prescriptions issued by your doctor. Ask us for more information about this service.

Medicine containers

All medicines are dispensed in child-resistant containers unless you ask us not to. Please remember: keep all medicines out of the reach and sight of children. Our pharmacist can advise you on safe storage of medicines.

NHS Unwanted Medicines service

Please contact us if you have any unwanted medicines that you need to return to the pharmacy where we will dispose of them safely. See website for details.

NHS Health Advice and Self-care

The pharmacist and our trained assistants are available for advice on all medicines and minor ailments, via our website or telephone. We can also give you advice on how to live a healthy life, for example, advice on how to stop smoking or healthy diets. We can direct you to other sources of advice and assistance if we cannot help you ourselves.

Signposting

We can direct you to providers of services that we do not provide at our pharmacy. See the website or ask for details.

Promotion of Health Lifestyles

We can provide advice to how to make your lifestyle healthier and seek to identify ways that we can assist you to achieve healthier living. We also take part in Public Health Campaigns.

Patient Medication Records

Our computer allows us to keep records of all your prescriptions dispensed by us. This helps us check for possible problems, such as reactions between medicines and will help us deal with any queries you may have. We comply with the Data Protection Act, GDPR and the NHS code of practice on confidentiality. If you want to discuss the records we keep, please contact the pharmacist

Other Services we provide:

We must stress that this can only be done in genuine emergencies and it may incur a charge. Please contact the Pharmacy for more details.
